

Case in which
priority is claimed
based on the national application

Case in which the
international and the
national application
claim priority based on a
national application

(※) The earlier application that served as a basis of claim in the Japanese internal priority shall be deemed to have been withdrawn when one year and three months has lapsed from the filing date of the earlier application.

• Above cases are not exhaustive. There are other cases for which the practice of "Taking into account the Results of Earlier Searches" applies.
