

ANNUAL TECHNICAL REPORT  
ON  
INDUSTRIAL DESIGN INFORMATION ACTIVITIES  
1998

**I Evolution of registration activities:**

Changes experienced in terms of application filings and registration with respect to the previous year.

The Intellectual Property Office received 10 filings in 1998 compared with the 16 filings received in 1997 and 13 filings received in 1996.

**VI Administration of industrial design services available to the public (relating to facilities, e.g., for lodging applications, registering industrial designs, assisting clients with search procedures, obtaining official publications and registry extracts):**

Information services available to the public (including computerised services and search files contained in libraries remote from the Registry and industrial design information posted by the Registry on the World Wide Web)

The website for the Intellectual Property Office is now expected to be established in June, 1999.
