

# Forum Archive (2007)

This page gives access to comments that were posted in the DAS Consultative Group forum in preparation for the first working group meeting in February 2007, in particular for the drafting of the framework provisions.

|                                                               |                                                                                |                                             |
