

# WIPO GREEN WEBINARS

Spring Series (March-June 2023)

All WIPO Member State IP Offices are cordially invited to webinars hosted by WIPO GREEN as part of our IPO GREEN initiative. Launched in 2022, the IPO GREEN initiative supports IP Offices in all regions to enact policies and programs that advance green technology innovation.

During the webinars, IP Offices will present on their experiences with their national green programs, trends, analysis and new initiatives. There will be ample time for discussion. We have organized similar webinars at different times to accommodate different time zones.
